I		
1	Defendants Power Ventures, Inc. and Steve Vachani do not oppose Facebook's motion to	
2	extend the deadline to hear dispositive motions from March 19 to April 18. Defendants dispute	
3	Facebook's hyperbolic and inflammatory argument that defendants have "engaged in blatant and	
4	egregious discovery abuses." Defendants' document production in this case has been voluminous	
5	and complete. Defendants have produced more than 300,000 emails from Mr. Vachani. They have	
6	produced Power's entire source code. They have produced all of Power's database and other	
7	backup files, totaling more than 120 gigabytes of data. There are no documents in Power's	
8	possession that have not been produced. Defendants intend to oppose any motion regarding their	
9	purported "discovery abuses."
